

March 2017

Praise God!

- We have our first grandchild!
- Ellen is doing well after knee surgery.
- She is able to see other doctors for other issues.
- Two newly baptized believers in our small family of God.
- Kids Club Farol Beach is well attended and the two teams are functioning.
- God has made it possible for one of the persons in our group to have back surgery. She sees God deeply involved in her life, a growing new believer.
- The Holy Spirit is moving in a number of lives in our small group.
- The Boat is up and running. Still missing parts.

Prayer Request

- Our boat needs motor parts and a good method to pull it off the beach.
- That God will provide a team of four men to move the boat to and from the beach on a weekly basis. We need to take the boat out most Saturdays.
- That our Spiritual Family will continue to grow closer and grow in size.
- Pray with us for guidance from the Holy Spirit, we are seeking to know if we should start a new womens group at Farol Beach, this is where the kids club is located.
- Pray for Pastor Adailton as he has hopes of moving out to the island to help us starting in June.
- Pray for Claudio – he is my new right hand man for the volunteers I am gathering for these new ministries. He is also facing a number of financial problems.
- Pray for Jeremias – he is the other kids club leader who is catching a vision for reaching other communities out on the islands. He is eager to start visiting new communities.
- Pray that the Holy Spirit will pour down on our work and bring new people to us to hear the stories of Jesus.
- Pray for Ellen as she is recovering from her knee surgery and visiting other doctors while she is in the States.
- That Ellen can have more opportunities to visit with our new grandson.
- New financial partners to meet the growing financial needs for our ministry.

New Grandmother

Ellen had the blessing of holding our first grandchild only a few days old. It is a great joy that she was able to visit a few days after his birth.
