## Church Announcements

Please continue to **pray for the Pastoral Search Committee** as they enter the next phase of their search. They are finalizing the Job Description and Posting that they will use as they begin the search. Pray that God will lead them to the right man as they actively begin to search and inquire with those God will lead their way. Pray for wisdom and discernment for the Search Committee as they interact with potential candidates.

Marie Olmedo has been accepted to be part of the **2018 Operation Barnabas** Team. If you didn't get a support letter in your folder (in foyer), let Marie know!! We are excited to have the Operation Barnabas teams ministering on the West Coast this year, and our church will be hosting the orientation.

## **HOW CAN I VOLUNTEER AT MY CHURCH?**

**Nursery:** We are in great need of volunteers to help in our Nursery. Nursery is available to all children up to 2 years old. This ministry allows parents to worship while we minister to their precious little ones. We need volunteers for the Sunday School hour as well as the Worship hour. Please let Clancy Cabrera know if you would like to help.

**Children's Ministries:** We are in need of helpers for our Junior Church (during the worship service) to minister to our children with music and bible stories. Please let Josie Ramirez know if you would like to help.

**Good News Clubs** have a weekly need for store bought cookies and individual drinks. You can drop off your donations in the church office on Wed nights or on Sundays. A big thank you to those we have already given so generously.

**Heights of Grace:** This is an evangelism ministry in Boyle Heights. We have developed great relationships with people in this community in the last two years. Just come and join the team every second and fourth Saturday of the month and see God work in and through you to reach others with hope in Christ Jesus.

**Weekly gardening tasks:** Join a team that takes care of our lawns and landscape every other Saturday morning. They start early (7am) and usually finish within two hours. This is a great way to help, get lots of Vitamin D and enjoy the early morning!
