City Life

Margaret Olmedo, Leader

I am excited to lead City Life a third time in 2019. I am also thrilled to have TK (and Dana) nearby the entire week! Marie, my daughter will be a part of this year's team. We start June 11 and end June 18

City Life objectives are:

For students to know:

- the importance of who God is
- how to follow a plan to read God's word each day
- the facts of the Gospel including foundational verses
- his responsibility as a follower of Jesus

For students to be:

- understanding truth from God's Word
- thinking of the needs of others more than self
- personally challenged by various ways to be and do "church" for the glory of God
- committed to prayer for individuals who need Christ

For students to be equipped how to:

- initiate conversations
- turn conversations towards the spiritual
- pray for and with people
- share a personal testimony

Please pray for us as we venture the city and practice living on mission in an urban setting.

Pray for this old lady to have strength and energy as City Life ends and OB begins.

Pray for God to use me and that I will bring Him glory. The older I get the more I realize how I fall short.

Thanks for your support. If you want to donate snacks or \$\$ for a meal let me know!
