Operation Barnabas Max and Margaret Olmedo, Leaders

Max and I are excited to lead Operation Barnabas for the third time this summer from 6/22-7/14. We will also be attending Momentum again this summer from July 15 – July 21.

Operation Barnabas is a three-week high school summer ministry training program equipping students to live on mission through evangelism training, character development, and servant-leadership. Students are challenged in their walk with the Lord which results in more deeply knowing and cherishing Jesus. Students are coached and equipped in hands on ministry opportunities. It not only utilizes training experiences to help students effectively ministry to others, but creates opportunities to put what students are learning immediately into practice whether that be in manual labor, park programs, interacting with people at restaurants, in church programs, and so much more. Students are taught a ministry mindset that looks to be ON MISSION wherever the teams are and after the students return home.

Please pray for us as we venture the city and practice living on mission in an urban setting.

Pray for us to have patience, get rested each night, and to pour into the lives of the students as if they were our own.

Pray that all the logistics for Marie are figured out as she isn't traveling with a team this summer.

Pray for God to use both of us and that we will bring Him glory.

Thanks for your support. If you want to donate snacks or \$\$ for a meal let me know!
