Showing God's Love to our Elementary Schools

We have a great opportunity to show God's love by providing water bottles, as a way to care for the kids and families. Our goal is to deliver 2,000 8oz or 12oz water bottles to both schools on April 12th – so that's 4,000 water bottles total. Will you help us make that possible? Please drop off the water bottles at church by April 11th. Pray with us that God's love will be demonstrated through the gift of these water bottles.

Missionary: Cecil O’ Dell

Cecil O’Dell’s mission is to go further together in bringing the good news of Jesus to the least-reached people of Japan. After spending 17 years in Japan, he and his family moved to California and launched the Japanese Returnee ministry. He is working with international students at California State University Long Beach. Cecil’s role as a ministry coach is to help these new teammates sharpen their skills in sharing the gospel, gathering new believers into spiritual communities, and training local leaders so that over time, church-planting movements in Japan can flourish.

Prayer Request: That the Japanese students be able to return to CSULB, as they’ve not come because of the Pandemic. That Cecil will be able to travel to Japan soon.
