HAVE YOU BEEN BAPTIZED?

My friend, Oscar Chavez, reminded us last Sunday of God's work through the early church in the book of Acts. Your Bible calls this fourth book of the New Testament "The Acts of The Apostles". It could easily, and perhaps more appropriately, be called "The Acts of The Holy Spirit" as the author chronicles the work that the Holy Spirit did in and through the men and women of the early church.

Oscar reminded us of the great numbers that came to trust Jesus through Peter's first two sermons recorded here. Careful readers will note that those who came to faith also followed Jesus in the waters of baptism. This reminds me to suggest that if you have never been baptized as a response to your faith in Jesus and his sacrifice for you, this would be a great time to consider this. If you have interest or have questions or would like more information, please talk with Pastor Roy or one of the elders.

We'd love to talk with you about church membership as well! Church membership is an opportunity to say, "I like this family. I'm committed to being here and serving here." All those who attend here are part of the family and membership by our constitution and bylaws enables members to vote on matters of business and to serve as a deacon or elder.
