

Blessed is the nation  
whose God is the Lord,

The people whom He  
has chosen for His own  
inheritance.

Psalm 33:12

**Patrick Henry** : "It cannot be emphasized too strongly or too often that this great nation was founded not by religionists but by **Christians**, not on religion but on the gospel of Jesus Christ."

**President Thomas Jefferson: "The 1st amendment has created a wall of separation between church and state, but that wall is a one directional wall, it keeps the government from running the church, but it makes sure that **Christian principles** will always stay in government."**

**John Adams: "We have no government armed with power capable of contending with human passions unbridled by morality and religion. Our constitution was made for a moral and religious people... it is wholly inadequate to the government of any other..."**

**The Legislature of New York declared in 1838: "This is a Christian nation. Ninety-nine hundredths, if not a larger proportion, of our whole population, believe in the general doctrines of the Christian religion."**

**Decision of the Supreme Court in 1892: "Our lives and our institutions must necessarily be based upon and embody the teachings of the Redeemer of mankind. It is impossible that it should be otherwise; and in this sense and to this extent our civilization and our institutions are emphatically Christian."**

## **John Jay, the first Chief Justice of the Supreme Court:**

**"Providence has given to our people the choice of their rulers – and it is the duty, as well as the privilege and interest of our Christian nation - to select and prefer Christians for their rulers"**

**Woodrow Wilson**, in his famous address, "The Bible and Progress," stated that: "America was born a **Christian nation**. America was born to exemplify that devotion to the elements of righteousness which are derived from the revelations of Holy Scripture."

**Calvin Coolidge**, our 30th President, about our founding fathers (1923): "They were intent upon establishing a **Christian commonwealth** in accordance with the principle of self-government. They were an inspired body of men. It has been said that God sifted the nations that He might send choice grain into the wilderness... Who can fail to see it in the hand of destiny? Who can doubt that it has been guided by a Divine Providence."

**President Ronald Reagan: "If we ever forget that we are 'One nation, under God', then we will be one nation gone under."**
