## Max and Maggie.....

Have been married for 21 years, have 4 kids and 4 grandkids. They recently moved in with (and remodeled the home) Maggie's parents, Gene and Mary Robison.

They have been involved in some form of Worship Arts for many years. Before Max knew Maggie, he was part of a youth worship band at the church where he first met Jesus and made the decision to follow Him. Maggie grew up attending Bellflower Brethren and even attended the elementary school at Norwalk Grace. Max met Maggie while leading Worship at Bellflower Brethren's Spanish church and Maggie joined the group. After they were married, Max led worship a short time at Norwalk Grace. God brought them back to Norwalk and recently they filled the worship team role.

While serving, they most enjoy when the congregation joins in the worship and praising Jesus. Hearing the singing and seeing smiles really is encouraging. One of Maggie's favorite pastimes is watching Masterpiece and Hallmark and hopes to get back to Disneyland soon. Max enjoys art, riding his trike, exercising and walking at the mall.

Max favorite scriptures are Psalms 46 & Isaiah 53. Maggie's favorite verse is Hebrews 10:25, because congregating with each other is not just a rule to go to church, but a time to encourage one another.

Thank you Max and Maggie for your ministry!

Four Soils-Four Hearts

Mark 4:1-21

Pastor Roy Halberg

- Do you ever wonder about people who “backslide” or say that they “used to be a Christian”?
- What about the guy who claims to have “invited Jesus into my life” while living an immoral life, disobeying the clear teachings of scripture? Are these people really saved?

LEARN THE LESSON OF THE FOUR SOILS

- 1 Seed Needs To Be Sown If There Is To Be A \_\_\_\_\_ - “the sower went out to sow”
2. The Quality Is In The Seed Not In The \_\_\_\_\_ - “ some seed fell...other seed fell...”
3. Soil Produces Different \_\_\_\_\_ - “birds ate...sun rose...thorns choked...yielded a crop”
  - Two IMMEDIATE results
    - +soil along the \_\_\_\_\_
    - +soil among the \_\_\_\_\_
  - One SHORT TERM result: soil among the \_\_\_\_\_
  - One PERMANENT result- good soil

SO WHAT?

1. What are the evidences that identify the true convert?
2. How can you distinguish between the true and the false? The wheat & the tares?
  - Two logical and simple responses to the lesson of the soils
    - A. Become a \_\_\_\_\_
    - B. Become a \_\_\_\_\_
