Volunteer of the Month

Matthew Consuegra

A young adult from our church doing ministry.

- 1) I have been playing drums at church for at least five years. I started off playing the trumpet in the worship band but then our drummer moved and I became the drummer. (He also led the worship in Student ministries and has led our young Adult small group.)
- 2) The thing about drumming that brings me the most joy is that I get to be a part of others experience in worship. Worship is usually a personal experience, but when I'm playing the songs for the church, I feel like I'm a part of their experience. I'm able to help them get closer to God through songs which is very humbling and brings me joy.
- 3) my favorite verse is Romans 3:23-24
- 4) My favorite pastime is watching movies. I like going out to a movie theater and watching a new movie with my friends or family.

Thank You Matt for all you do.
