Momentum Urban Center LA

39 Grace College students and leaders arrived on the Grace Norwalk campus in early March for a week of evangelism training and ministry experience at the Urban Center. Tim Lansing mentioned, *“This was our largest group yet and it was an incredible week to watch the students grow and be stretched as they looked for opportunities to engage with people and have significant spiritual conversations with others.”*

Not only were they trained and equipped in how to share the gospel and given opportunities to do that through the L.A. area, but each student was encouraged to think of 3 people back home that know them, but don’t know Jesus and to begin praying for them. Each student put together an action plan of how they can intentionally share Jesus with them when they go back home.

Since returning to Grace College, here are a couple messages we have received from the students about how God used this trip to open their eyes to gospel opportunities:

“I am praying for my 3 regularly and my list keeps getting longer too!” – Chloe

“Some spiritual conversations have come up in the past week with the 3 people on my list, which has been great!” – Allison

“I am very grateful for the teaching & for the experience. I was just telling my mom how I plan to be intentional this summer with one of the 3 on my list who lives near my parents.” – Emily

“Since returning home, this past week I got the opportunity to share the Gospel with one of the guys on my list!” – Mang
