## **Faith is the Victory!**

Our Sunday morning focus should have all of us thinking about faith and works. We all understand that saving faith excludes works ... *“by grace you have been saved through faith and that not of works....”* (**Ephesians 2:8-9**)

The important emphasis for us is the idea that the faith that saves us is a faith that works. **Ephesians 2:10** puts it this way, *“we are His workmanship created unto good works, which God has before ordained that we should walk in them”*.

Jesus expressed the same idea in John 15 when He spoke about us being vines that bear fruit. He is the branch, our source of life and sustenance, and we are to bear fruit as a result of that life He gives.

Good works are evidence of saving faith just as fruit are evidence of the presence of life. As a result, it is a fair question to ask: How fruitful am I? Is there evidence in my life of the new life of Jesus flowing to and in me?
