### **Lord, Give Us Vision**

My eye doctor tells me that I have early signs of macular degeneration. My grandmother suffered from macular degeneration and was legally blind for several years before she passed away. So, I know that the message from my doctor is not good news.

However, far worse than suffering from limited vision or even total lack of being able to see physically, is the lack of spiritual vision. In fact, Paul prays for the Ephesians asking that the “eyes of their hearts would be enlightened” (1:18). We need to have clear spiritual eyesight to see, know, and do what God calls us to do.

God has formed a group of people here at Grace Norwalk that we are calling our “Vision Team”. This team is tasked with praying, dreaming, and planning for the future of our church. We expect to present to the church family soon the pathway forward that we believe God is calling us to . . . it is HIS vision for the future that we are seeking.

Please pray for our Vision Team. Please make this a regular commitment . . . even a daily commitment in the months ahead
