## LET'S STUDY GOD'S WORD TOGETHER.

Jeremiah offers women **hope** for living in an uncertain world by learning to navigate the challenges and circumstances of their lives. This six-week study examines God's words of instruction to His wayward people through the prophet Jeremiah, and provides women six guidelines for intentional living to **overcome fear, worry, and doubt** as they surrender their wills to God's and put their hope in Him alone.

**STARTS FEBRUARY 6TH**

## **Judith Vindiola our Children's Ministry Director**

This young woman came to be our Children's Director last year. She has been a Christian for a little over 6 years. But has been a Bible student most of her life as she was raised a Catholic and loved to study the Bible. But one day she made an important decision in making the choice to go and stay in an Evangelical church. Judith is a God-fearing woman raising two children Mariana 17 and Joel 13. She works as *Academic Coordinator at IMAN High School*.

And likes working with children. One of her favorite pastimes is Reading and Cooking (her daughter Mariana says she's an excellent cook 😊). The thing that brings her most joy is teaching High School students. She loves the fact that she can plant the seeds by being a positive influence in young people while sharing God's Word. Her favorite Bible Verses is Rom 5:2-6' Let's continue to pray for Judith, her family and the Children's Ministry .
