BAPTISM

Baptism is a beautiful outward expression of what Jesus has already done inwardly in the life and heart of that person and a key step of obedience for the person who has chosen to follow Jesus.

If you're interested in being Baptized, please fill out a card in the pew in front of you and either place it in the offering or take it to the Connect Center in the Lobby.

TECH TEAM

If you would like to be part of the Worship Tech Team (camera, sound, computer, etc.) please see Tim Lansing or fill out the Connect Card in the pew in front of you and place it in the offering or drop it by the Connect Center in the lobby.

WISDOM AND WORDS

As a kid I was never very excited about English class, and learning new words was never very exciting or intriguing to me, in fact, I often struggled to make good grades in English class. As I continue in this journey of life, I have realized while I still am not a fan of big words, I have come to value the impact my words can have.

Proverbs 18:4 says, “The words of a man’s mouth are deep waters; The wellspring of wisdom is a flowing brook.” King Solomon equates our words (or really the word’s in a man’s heart) with wisdom and the depth of their impact on others.

In our flesh it is easy at times to lack a filter and just say whatever is on our mind and heart, but for the believer as we walk closer with Jesus, we are given this ability to be a gushing stream of wisdom as we talk and engage with others.

Do you want to live life to God’s glory and be a wellspring of wisdom? God is willing to give it, you just have to ask! James says in James 1:5, “If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him.”

Our words matter to God ... so they should also matter to us too!
