## BAPTISM

Baptism is a beautiful outward expression of what Jesus has already done inwardly in the life and heart of that person and a key step of obedience for the person who has chosen to follow Jesus.

If you're interested in being Baptized, please fill out a card in the pew in front of you and either place it in the offering or take it to the Connect Center in the Lobby.

## SERVE @ GRACE

Are you ready to get more involved and looking for a way to serve @ Grace. We have opportunities on Friday Nights and Sunday Mornings for you to find your place to serve. If that's you fill out the Connect Card in the pew in front of you and mark the words '**servicing/volunteering**' and drop it by the Connect Center in the lobby.

## Anger Management

People often express regret when they lose control and allow themselves to be overtaken by anger. Their surrender to this hard-to-manage emotion leads them to behave uncharacteristically and leaves them picking up the pieces of ruined reputations, dealing with the residue of broken relationships, or struggling to forgive themselves for succumbing to a moment of anger. Whether you flare up at the drop of a hat or you reserve your anger for “big things,” the result can be devastating. No matter the degree of anger with which you struggle, God’s Word offers guidance on the most productive ways to deal with anger.

### Reflect

During an argument is probably the most difficult time to carefully choose what we say. But it is one of the most crucial times to watch our words. “A gentle answer quiets anger, but a harsh one stirs it up” (Proverbs 15:1 GNT). The writer of Proverbs encourages us to use kind words, not only because they diffuse arguments but also because they help avoid them altogether.
