# Which is better, to die once or to die twice?

The Ancient Egyptians believed in two deaths the first was physical death the second death was when your name was uttered for the last time.

As Christians we also believe om two deaths as well. Those who have rejected Jesus as Lord will first die physically and the judgement (spiritual death) on that day Jesus will scall all our names for the last time. As a born-again Christ follower, we believe that we will die physically but not spiritually.

As a great theologian puts it, "if you have been born only once you will have to die twice, but if you have been born twice you will have to die once! You may even escape that if Jesus comes during your lifetime" - David Jeremiah

Revelation 2:11, 20:6, 20:14 and 21:8
